F	Hlynur frá Ragnheiðarstöðum		
M	Folda frá Ragnheiðarstöðum		

Description

Forkur is a wonderful big gelding, and he is son of Hlynur frá Ragnheiðarstöðum and Folda frá Ragnheiðarstöðum.

His tölt is good, he is a 5 gaited horse with a smooth trot and gallop is one of his favourite gaits, he does have his pace is ok I haven't tried to competition in pace but he can be good in that, he is bulletproof doesn't care about cars, bikes, baby carrier or children running around.

When he is really excited, he will speed a little but does listen to the seat really well and remembers he has to listen to the rider.

He has competition in t7 and has gotten 6.0, he has some experience in that era and he's good but can be a little stressed on the track and also he is a lot of fun on trail rides alone, with a group. Doesn't have any eczema in is family, no health issues but doesn't like his ears to be touched, i have trained him to bow his head down for the bit, he knows how to smile, lift his front legs. He is a wonderful horse and is looking for the perfect rider for him, he needs an experienced rider he is not for beginners.

Forkur will be presented at the UNDRA SALES HORSE SHOW at the riding hall in Fákur on Sunday 13th at 3pm Icelandic time (5pm CEST).

Harpa überzeugt uns alle durch ihren unglaublich ausgeglichenen Charakter, ihre Balance, natürliche Aufrichtung und einem schönen Reitgefühl.

Erst 5 jährig wird sie auch regelmässig von meiner Tochter geritten (natürlich nur unter Aufsicht) und besticht auch dann durch klar getrennte Gänge mit schöner Bewegung. Sie ist 5gängig veranlagt, wobei Pass noch nicht oft trainiert wurde.

Harpa ist eine unglaublich spannende Jungstute, die als Luxusreitpferd und mit weiterer Ausbildung auch im Sport eingesetzt werden kann.

Kolur is a fantastic 4 gaiter with an amazing mindset. He has 4 even and separated gaits. The walk is just simply outstanding. He has already been to one VI competition which he did great. Scoring 6,5-7,0 for all gaits, and has a lot more to offer. He has the ability to go 7-7,5 for all gaits and even more for walk. The tölt is great so he will also be great either in T1 or T2. The mindset is the perfect for a sport horse. Always ready to do everything for the rider, whiteout any tension. Always ready to relax again. He's also a very quick learner and everything you teach him, he gets good at very fast. That makes him very fun to work with, he always leaves a smile after riding.

He's a very sweet and calm stallion and is easy in all handling and riding. He could also very easily be castrated if people wish for that.

His pedigree is also fantastic. His mother is the amazing Dáð frá Halldórsstöðum which makes him half brother of Vákur fra Vatnsenda! Dáð is the former Iceland champion in T1 and did also receive 9,5 for tölt and slow tempo tölt in FIZO. A mega horse!!

The father of Kolur is Kjarni frá Þjóðólfshaga which has given amazing offspring's. Kjarni also has received 9,5 for tölt in FIZO. Highest judged offspring of Kjarni has received 8,81 for ridden abilities.

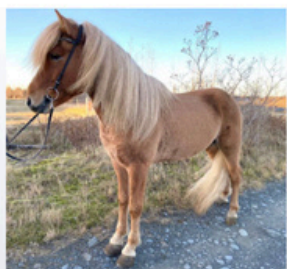

Kolur will be presented at the UNDRA SALES HORSE SHOW at the riding hall in Fákur on Sunday 13th at 3pm Icelandic time (5pm CEST). Live stream:
